

HOLIDAY

in Atlanta

We caught up with the *Newsroom* actress on location for her new movie. **Olivia Munn** models party-perfect pieces in the buzzy city

* SEQUINS & SLEEVES!

Now you won't have to borrow your husband's jacket or shiver in a pashmina. For once, not every party look bares arms. Love this dress with black opaque tights and closed-toe heels!

Dress, \$225, Michael Michael Kors. Tights, \$18, Lauren Ralph Lauren. Clutch, \$44, Accessorize.

On Location: The Optimist; theoptimistrestaurant.com

GIGANTIC FLORALS

No more itty-bitty buds! Look for big, graphic blooms on a full ankle-length skirt. Shop your closet for a tee to go with it.

BEAUTY NOTE Skip the blowout: A sleek, low ponytail is equally chic. Part your hair on the side, then tie at the nape of your neck, spritzing the part only with fine-mist hairspray to set. (Try *L'Oréal Paris Advanced Hairstyle Lock It Fine Control Hairspray*, \$5.)

Top, \$60, Mango. Skirt, \$129, H&M. Earrings, \$60, Sorrelli. Bracelet, Ann Mashburn. Shoes, \$130, Kristin Cavallari by Chinese Laundry.

On Location: Westside Provisions District; westsidepd.com

SHOES ARE ART, TOO!

PARTY PANTS

Who says you have to wear a dress? Metallic cigarette-style pants look smokin' (yup, we went there) with a sleeveless turtleneck sweater. Chilly? Throw on a blazer.

Sweater, \$295, Haute Hippie. **Pants**, \$130, Kate Spade Saturday. **Earrings**, \$58, Cynthia Rybakoff. **Bracelet**, \$35, The Limited. **Shoes**, \$28, Ann Michelle; lulus.com.

On Location: JCT. Kitchen & Bar; jctkitchen.com

LITTLE BLUE DRESS

Move over, black, there's a new LBD in town! Midnight sequins are a bedazzling surprise. Keep your jewelry, shoes and bag subtle—a simple silver clutch, a few bangles.

BEAUTY NOTE The classic red lip is a glam slam. Tap on a matte or satin-finish lipstick with a finger. We like *Clinique Long Last Soft Matte Lipstick in Crimson*, \$16.

Dress, \$268, French Connection. **Earrings**, \$98, Kira Kira. **Clutch**, \$33, Shop Prima Donna. **Bracelets**, \$30 each, The Limited.

On Location: The Fox Theatre; foxtheatre.org

BLACK-TIE
JUMPSUIT

If the dress code calls for polished, sleek and slimming, this tuxedo-inspired one-piece is exactly what to wear.

BEAUTY NOTE The It shade for nails is a rich, almost black, oxblood. Try *Nails Inc NailKale Polish in Victoria*, \$14, nailsinc.com.

Jumpsuit, \$198, Ann Taylor.
Earrings, \$28, Olive + Piper.
Cuff, \$35, The Limited.
Ring, \$240, Kira Kira.
Shoes, \$29, Shop Prima Donna.

On Location: Sid Mashburn;

SOMETHING
THAT
SWISHES

Go on, give a baby-doll dress a twirl! This chiffon number is flirty, flouncy and forgiving (pass the hors d'oeuvres!).

Dress, \$152, Asos. **Earrings**, \$138, Cynthia Rybakoff.
Shoes, \$170, Sol Sana.

read all about her... OLIVIA MUNN

We sat (uh, lay?!) down with Olivia, 34, in Atlanta, where she was filming the action flick *Ride Along 2* (she even did some of her own stunts!). Turns out the brainy beauty (you may recognize her from HBO's *The Newsroom*) is a homebody at heart, albeit one with a serious flair for fashion and fun. Oh, and football—her boyfriend is Green Bay Packers quarterback Aaron Rodgers. Catch her next opposite Johnny Depp in *Mortdecai*. But first, a glimpse into her life—and style.

FASHION STAPLE

Jean shirts. I have at least 50 of them. Every time I find a new one, I'm like, "Yes, I need this. The one I have doesn't have this wash, or this length, or this button!" It's so silly, but I love them.

BEST QUALITY

I'm loyal to a fault. My friends know I will defend them to the end.

WORST QUALITY

I'm super-impatient, especially if there's a line. Like at Starbucks, if there are more than three people, I won't wait.

PINTEREST AND INSTAGRAM?

[*Ride Along 2* costar] Kevin Hart got me on Instagram. I also use Pinterest to create secret boards and test style ideas.

PERSON YOU TEXT THE MOST?

It's a tie between my mom and [Aaron]. Mom texts me random things all day long. She always puts "Love, Mom" at the end. I'm like, "You don't have to do that."

PERFECT FRIDAY NIGHT

Having friends over to play board games. Taboo is my favorite!

ON LIVING IN WISCONSIN

A lot of people are trying to scare me away from Green Bay, telling me how cold it's going to be. I just think two things: 1) *I'll get a warmer coat*; 2) *You must not know how much I love staying at home*. I'm not a party girl. I like to shop online. I don't have to leave my house!

BEST COMPLIMENT?

A friend told me once, "You're always the same person." Whether you bring me to the White House or a barbecue, I won't change for other people.

EVER HAVE AN AWKWARD PHASE?

I'm still in it! Some people look so beautiful, no matter what the angle. My resting face is a furrowed brow. I look like I'm lost and don't understand this foreign map!

Hair by Makiko Nara/Walter Schupfer using Bumble and Bumble. Makeup by Thuy Pham. Manicure by Terrance Terry.

WINTER WHITE

Whimsical tulle in cream, eggshell, ivory or even stark white is as romantic as the first snowfall.

Dress, Rent the Runway, \$35 per day (normally \$495!). **Bracelet**, The Limited, \$35. **Shoes**, Klub Nico, \$200.

→ SHOP 'TIL YOU DROP

Once a historic meatpacking neighborhood, **Westside Provisions District** is now the go-to place to shop and eat. Our fave: **Abattoir**. But save room for **Jeni's Splendid Ice Creams**. westsidepd.com

↑ NIGHT ON THE TOWN

Leased to movie mogul William Fox in the 1920s, the **Fox Theatre** is one of America's oldest film palaces. Now the legendary landmark operates as a concert and event space (with 250 shows a year!), but all the gilded grandeur is still intact. foxtheatre.org

↑ TAILOR-MADE

The **Sid Mashburn** shop keeps tradition alive with throwback on-site tailoring. Drop in to see tailors at work whether or not you're in the market for a new suit. sidmashburn.com

HOT'LANTA

Besides the sizzling year-round temps, this dynamic capital city is a culture hot spot. Whether you're a foodie, a vintage shopper or a history buff, there's something for you in Atlanta—punctuated with a touch of that Georgia flair

← BEST RAW BAR

It's worth a trip to **Kimball House** for the oysters alone, but this new restaurant also delivers on cocktails. Be on the lookout for a design detail we love behind the bar: a library ladder! kimball-house.com

WHERE GH STAYED

In the heart of Atlanta's cultural arts district, at the **Artmore Hotel**, a 1924 building with a Spanish Mediterranean aesthetic. artmorehotel.com
