## Borrowed FROM YOUR BOYFRIEND

A roomy pullover can get fancy with a sequined skirt and sparkly earrings: unexpectedly chic! BTW, that burgundy shade is this season's new neutral.

EARRINGS, \$32, CAPWELL + CO.

## The CABLE GIRL

This classic knit is truly all-purpose. It works with jeans, of course, and here a mesh neoprene skirt with a bit of flounce adds a fun, flirty, femme tone. Make it pop with colorful shoes.

## what's new ROSEMARIE DEWITT

She's considered the indie film darling, best known for *Rachel Getting Married*. You also might have seen her in a little TV show called *Mad Men*. This month, she costars in *Men, Women & Children*, a film about love and intimacy in the Internet age. As for her offscreen life, she's married to actor Ron Livingston ("he's still my biggest crush!" she says) and mom to recently adopted daughter Gracie. She's obviously a woman with a great sense of style. Here, a peek into DeWitt's world...and closet.

### GO-TO WEEKEND WEAR

I like those slouchy pajama-y pants. There's something about not being all sucked in. At home, I'll throw them on with Isabel Marant sandals and a tank top — anything I can function in. No more fancy material, because I have a toddler. It all has to be washable!

### BEST ADVICE FROM MOM

"Moisturize your neck." Also, when I was a teenager, she'd [discuss boys]: "What about so-and-so?" And I'd say, "Oh, I don't like him. He's too nice," and she'd say, "One day, you'll figure out that nice is good." She was right.

### FRIDGE FAVORITES

I'm very much a cheese, chocolate and prosciutto kind of girl. I always think I'm going to turn over a new leaf, make a healthy brown-rice wrap.

### PERFECT SATURDAY NIGHT

Binge-watching TV with Ron, preferably *Game of Thrones*. We have to watch together. That's why I haven't seen so many shows! He'll be like, "Let's watch *Veep*," and I'm like, "No, I don't feel like laughing." You both have to be on the same page. We always agree on *Game of Thrones*.

### ...AND SUNDAY MORNING

A family hike and a really good iced latte. We put Gracie and our 100-year-old dog in strollers, then we just go walking for as long as they can stand it. It ends up being a really good workout if you're pushing the dog — he weighs more than the baby!

## Better THAN A BLANKET

Casual and snuggly, this long-sleeved sweater dress should be worn fitted (you don't want to get lost in it) but not tight. It's a boot-friendly look (tall or ankle-height).
